

SGGA Suppliers Guide

*Connecting Greenhouse Growers
with Trusted Industry Partners*

2025 EDITION

WELCOME TO THE SGGA SUPPLIERS GUIDE

This guide serves as a comprehensive resource showcasing the valued suppliers and supporters of the Saskatchewan Greenhouse Growers Association (SGGA). It is designed to provide our members with easy access to trusted industry partners who contribute to the success of Saskatchewan's greenhouse sector.

The guide is organized by supplier categories to help you quickly find the products and services you need. To highlight those who have demonstrated exceptional commitment to SGGA, companies that have sponsored, donated, or provided significant support within the past year are identified with a star (★) icon.

Partnerships with these suppliers enhance the quality and sustainability of greenhouse operations across the province. We encourage members to engage with these trusted partners to foster collaboration, innovation, and growth within the industry.

We extend our sincere gratitude to all sponsors and dedicated suppliers featured in this edition. If you are interested in being included in future editions, please refer to the Supplier Submission Form at the end of this guide.

Disclaimer:

While the Saskatchewan Greenhouse Growers Association (SGGA) makes every effort to ensure the accuracy and currency of the information contained in this guide, members are advised to verify details directly with suppliers.

If you notice any inaccurate or outdated information in this guide, or if you are interested in sponsorship opportunities and becoming part of future editions, please contact us using the details provided below. We welcome your feedback and support as we strive to keep this resource current and valuable for all members.

SUPPLIERS BY CATEGORY

+ Seeds & Plant Material +

Aubin Nursery

	Website: www.aubinnursery.ca A fourth-generation, family-run wholesale nursery in Carman, Manitoba, specializing since 1927 in hardy trees, shrubs, perennials, and fruit plants well-suited to Prairie climates for garden centres and landscapers across Western Canada.
---	--

★ Ball Horticultural

	Website: www.ballhort.com Ball Horticultural Company, a fourth-generation, family-owned business founded in 1905, is a global leader in ornamental horticulture—renowned for its innovative breeding programs, award-winning flowers, vegetables and perennials, and a robust distribution network in over 20 countries.
---	---

★ Bylands Nurseries Ltd.

	Website: www.bylands.com A fourth-generation, family-owned wholesale nursery rooted in West Kelowna since 1955, Bylands cultivates over three million high-quality trees, shrubs, perennials, annuals, and roses across 400+ acres for North American growers, with award-winning sustainability programs.
---	--

★ Central Botanical Growers

	Website: www.cbgrowers.ca Central Botanical Growers Ltd. is Saskatchewan's largest greenhouse operation based in Saskatoon, featuring over 220,000 ft² of production and growing more than 4 million annuals, perennials, herbs, vegetables, annually for both wholesale and retail customers—with a strong commitment to sustainability and community-focused fundraising initiatives.
---	---

★ Dutch Growers Saskatoon

	Website: https://www.dutchgrowers.com Family-owned since 1953 and rooted in Saskatoon, Dutch Growers has evolved from a local nursery into a premier home, lifestyle, and greenhouse centre—offering a carefully curated selection of houseplants, annuals, perennials, tools, décor, fashion, and gourmet products, all backed by inspiring in-store vignettes and community-focused service
---	---

★ Express Seed Company

	Website: www.expressseed.com Established in 1982 and headquartered in Oberlin, Ohio, Express Seed Company is a leading North American distributor of fresh, high-quality seeds, plugs, cuttings, liners, bulbs, and bare-root plants. With daily inventory updates, an expert sales and technical support team, and innovative programs like ThinkPlants®, InFlora™ Cut Flowers, and InVerde™ Indoor Foliage, they empower greenhouse growers with top-tier genetics and supply chain solutions.
---	--

★ High Q Greenhouses

	Website: https://highqgreenhouses.com High Q Greenhouses, family-owned in Sturgeon County, Alberta since 1998, is Western Canada's premier wholesale supplier of young plants—offering custom-grown propagation stock from cuttings, plugs, and pre-finished plants, backed by over 35 years of horticultural expertise and strong customer service.
---	--

Jolly Farmer

	Website: www.jollyfarmer.com Jolly Farmer is a family-owned New Brunswick-based greenhouse specializing in wholesale young plants, offering over 3,000 varieties of plugs, liners, and finished crops with flexible low-minimum orders, custom-packed trays, and direct-to-grower service across Canada and the U.S.
---	--

Jeffries Nurseries

	Website: https://jeffriesnurseries.com Jeffries Nurseries Ltd., a family-owned and -operated wholesale nursery founded over 38 years ago in Portage la Prairie, Manitoba, specializes in hardy, prairie-tough trees, shrubs, fruit trees, perennials, and vines—serving garden centres, landscapers, and growers across Western Canada and the northern U.S.
---	---

JVK

	Website: www.jvk.net Founded in 1968 with coast-to-coast offices from St. Catharines, ON to Delta, BC, JVK is Canada's largest wholesale horticultural supplier—offering a full spectrum of greenhouse essentials including containers, labels, media, seeds, and vegetative material, alongside expert technical and customer support.
---	---

Paridon Horticultural Ltd.

	Website: https://www.paridon.com Paridon Horticultural Ltd. is a family-owned wholesale supplier—since 1979—of premium starter and retail-ready plant material, offering a wide range of trees, shrubs, perennials, waterplants, cacti, and succulents to nurseries and garden centers across Canada. Renowned for their knowledgeable service and diverse catalogues, they support landscape professionals with top-tier, carefully selected plant products.
---	--

★ PanAmerican Seed

	Website: www.panamseed.com PanAmerican Seed is a globally renowned breeder and producer of F1 hybrid and open-pollinated flower and vegetable seeds, with over 75 years of innovation and award-winning varieties designed to support growers and garden centres worldwide.
---	---

THANK YOU

The Saskatchewan Greenhouse Growers Association (SGGA) extends its sincere gratitude to all suppliers, supporters, and members whose ongoing commitment is instrumental to the continued growth and success of Saskatchewan's greenhouse industry.

We wish to express particular appreciation to our top-tier supporters, whose generous contributions are essential in sustaining the Association's programs, events, and services.

We also acknowledge with gratitude the financial support provided by the Saskatchewan Crop Advancement Program (SCAP), the Government of Saskatchewan, and the Government of Canada, which significantly benefit the broader agricultural and greenhouse sectors.

Additionally, we offer our profound thanks to our distinguished education partners for their invaluable expertise and collaboration:

- Dr. Ken Fry, Ph.D.
- Dr. Mohyuddin Mirza, Ph.D., P.Ag.
- Dr. Doug Waterer, Ph.D.

The SGGA deeply values the ongoing partnership with our supporters and stakeholders. Together, we will continue to promote excellence and sustainability in the greenhouse industry, ensuring a thriving future for all members of our community.
